

The Saint Barnabas by-the-Bay Art group was founded by The Reverend William W. Shelton in 1960. Presently, the group has 10 members, and all are accomplished artists who work in various mediums. Membership is juried. Members need not belong to Saint Barnabas by-the-Bay Church. The group's annual show is held each year in August on the grounds of Fury Feraco of Fishing Creek, one of the group's members.
